I can decide myself what equipment I need for a job. KO - Year 2 - I think about when is the best time to ask for help. I can think of different ways of solving a problem. I think about the best ways to show my feelings. KO - Year 1 - I am organised and make sure I am responsible for my own clothes and book bag. I like to set myself a goal and try my very best to achieve it. I am not easily distracted and I can focus on an activity. I am very engaged and enthusiastic when I am exploring.	KO - Year 2 - I will make sure my team or group work well together, and take turns fairly. I will take my turn to be the leader of a group, and listen to others when they are the leader. I know that other people might have different ideas and beliefs, and I respect them. I enjoy working together in a group or team. KO - Year 1 - When working together I will listen to others, think about their ideas and not interrupt them.	KO - Year 2 - I love a green growth challenge and I believe I CAN DO IT! I like to take risks and learn by trial and error. I can bounce back when things are difficult. I know what things I need to get even better at. I know what makes me a learning superhero! KO - Year 1 - I persevere and persist with activities when I am challenged not just for a reward. I can tell others what I have enjoyed in my learning.	KO - Year 1 - I am happy to work by myself and for long periods of time. I can make my own decisions about what to do next. KO - Year 2 - I will take my time to think carefully about any challenge I am given. I can use all my senses to gather information about a learning problem or challenge. I will ask great questions about my learning and any work that I am doing.	I know when I need to talk to someone if I am upset or worried. I listen carefully to what others have to say and think about their feelings. I will have ideas about how to sort things out after an argument. KO - Year 2 - I follow the Lane End way. KO - Year 1 - I can listen to what others tell me, and then change my behaviour. I care for all my friends.	I will think of my own ideas and questions after I am given a challenge. KO - Year 2 - I will have a go at new things, changing my approach if I need to. KO - Year 1 - I can think of my own questions and ideas. I will watch carefully and then try new ways of doing things myself. When faced with a challenge I will try different approaches to work it out.
