LANE END NEWSLETTER

Welcome back everyone. We hope you had a happy and healthy half term holiday. After all the many weeks of rain it is good to enjoy some better weather.

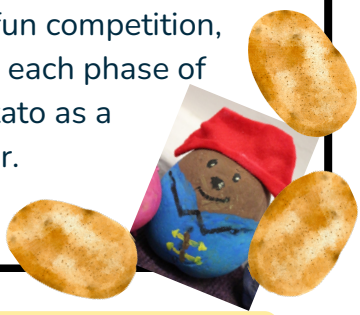

News about the school roof

After our serious roof leak two weeks ago engineers have been busy trying to improve our situation. We have new internal shelters for our electricity boxes, which should protect us until the roof is completely fixed. Roofing contractors have been on site to plan the necessary work, which will be paid for under the original warranty. We expect work to begin very soon.

World Book Day

Thursday 5th March is World Book Day and we are delighted to be celebrating reading right across school.
Children can enter our fun competition, with fantastic prizes for each phase of school: Decorate a potato as a favourite story character.
Non-uniform that day.

English Hub Project

As most parents know we use Little Wandle phonics and reading scheme for our beginner readers. Consultants from the English Hub centre of excellence are regularly monitoring our strong teaching and learning. The feedback so far is impressive. Well done to our staff, children and families for your hard work and dedication.

Stronger together

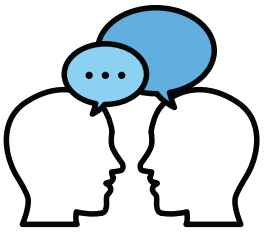

At Lane End we learn about respect , values, laws and beliefs. Children will be visiting a church, a mosque, a Sikh gurdwara and a Hindu temple over the next few months. We'll celebrate Easter, Eid and other holy days alongside secular events and trips out.

Let's DANCE!

Are you interested in joining an after school dance club?
We have the chance to work with AJ Collins Dance Academy on Tuesdays from 3.15 - 4.15pm
The price would depend on the size of group so **please let the office know if you are interested.**
More information on Facebook and instagram:
@AJ CollinsDance Academy

Lane End oracy commitment

voice 21 Oracy School

For the next two years we are focusing on improving speaking and listening across school. Oracy is articulating ideas, developing understanding and engaging with others through speaking, listening and communication.

In school, oracy is a powerful tool for learning; by teaching children to become more effective speakers and listeners we empower them to better understand themselves, each other and the world around them. It is also a route to social mobility, empowering all students, not just some, to find their voice to succeed in education and life.

We are a national Voice 21 Oracy School.
