A BIG YEAR FOR LANE END PRIMARY

NEW PARENT GOVERNORS

After a close run election the Governors are delighted to welcome Natasha Grant and Cristina Mierla onto the Board.

Lane End Primary School was officially opened on 22nd January 2016. We are celebrating our 10th Anniversary through 10 events spread over the Spring and Summer term.

The celebrations will focus on our school values:

Our first event is the Lane End's Got Talent Show in two weeks time, followed in the afternoon by a Boom-Chikka-Boom Rave Party.

Later in the term we will host a family picnic, sports events, competitions, and art shows. Keep looking out for invitations for your child and your family to get involved.
