SCHOOL GOVERNORS

Did you know our school is overseen by a Board of Governors? We have a fantastic group of volunteers from a range of professions who give their time to help us make Lane End the best school in the city.

The most important role is parent governor as parents have a real investment in school improvement and community involvement. We have an election due for a new parent governor - look out for an email next week.

SUPER SCHOOL

Leeds education experts have identified Lane End as having exemplary teaching. We are super proud of our staff, several of whom have been asked to speak at city wide conferences this month.

ANTI-BULLYING WEEK

At Lane End we have a zero-tolerance approach to bullying. Children are taught how to respect and care for each other through our behaviour approach, which focuses on positive relationships, self-reflection and restorative practice. Children who struggle to make the right choices are supported by our team of specialist staff, working closely with parents so behaviour concerns and attitudes are tackled at home and at school.

To show we are valuable because each of us is different but equal we will celebrate on Odd Socks Day - Monday 10th November

Just like our Lane End Super Heroes - we're all different.
