LANE END PRIMARY NEWSLETTER

Hello from all the staff at Lane End Primary School. We have had some exceptionally cold weather this month - thank you for sending your children kitted out for playtime in cosy hats, gloves and warm coats.

If we ever have a problem due to extreme winter weather, school will send a text to all parents. You cab also check local radio and Leeds City Council schools closure webpage. Please don't ring us to check as we will probably be busy making sure everyone is safe.

Over the next couple of years at Lane End we are working on becoming a model school for developing Language and Communication skills for all our pupils. To achieve the Leeds Communication Friendly Standard we are working alongside Leeds Children's Speech and Language Therapy Department. This project aims to embed effective communication skills throughout school to enable children to achieve their personal, social and academic potential. Throughout the project we will be developing our knowledge and skills as a staff team to:

· Develop our environment so it is communication friendly.
· Ensure opportunities for listening, talking and communicating are optimised throughout the school day.
· Develop adult interactions that are effective in supporting children in all areas of language development regardless of learning ability.
· Have independent, confident and communicative pupils.

We will keep you updated on our progress in becoming a Communication Friendly school and will give you tips on how to support your child at home with their communication.

Staff Spotlight

Mr Allen is our new Facilities Manager. He takes care of our buildings and grounds. We are delighted he has joined Lane End.

As part of our **Raising Aspirations** project children have been meeting adults with fascinating careers:
Doctor of medicine Vishal Tripathi
RAF jet pilot Nick Graham
and next week
Poet Laureate Joseph Coelho

SCHOOL LOGO COMPETITION

We want a new logo for our school - something which sums up the location, values and identity of Lane End Primary School. The new logo will replace the tree design on our building, minibuses, letter heading and website. More information about how to submit a design will follow.
