Living Streets with the National Highways Agency

We are taking part in the Walk to School challenge, encouraging families to be active on their journeys to school. On Friday Rob Atkins will launch the scheme in assembly. Children who walk, scoot or cycle to school will get the chance to win fabulous badges to wear on their uniform.

WEST YORKSHIRE POLICE

Police action around school:

You may have noticed Police officers stopping people driving cars near Lane End and St Lukes. This is part of their Safer Streets project and is aimed at reducing the risk of children being injured. We were informed this week that teaching staff will now have to display a special permit to enter and exit our school car park. If I receive any further information about the project I will let you know.
