School Uniform

Please make sure your child comes to school in our smart Lane End Primary School clothes. The uniform is cheap, available from supermarkets and high street shops, and hard wearing. The children can be warm and comfortable, and not get distracted from learning by competing with their friends about who's got the fanciest trainers or hoodies. Uniform is great for our children.

PE: Your child can wear their PE kit on the day they have PE. They should bring their kit in a bag if they have an after school club, as they will have plenty of time to change.

MACMILLAN CANCER SUPPORT

Thank you to all those families who came along for a cuppa and a bun in aid of this fabulous charity. We are delighted to tell you we raised £177!

Healthy Playtime Snacks

If your child gets hungry at morning break time they can have a snack, but please don't send them with sweets. Most children bring a piece of fruit or a bag of mini cheddars – better for teeth and growing bodies. Thank you.
