Voices Foundation

We have started to work with the 'Voices Foundation' in school over the past few months.

"Voices Foundation is a national music charity working to help schools across the UK to establish effective music education since 1993. Everyone has a voice, and we believe singing is a powerful way for children to become proficient musicians, excel across the curriculum and develop self-esteem."

Walking around school hearing classes singing is lovely and we hope to share the pupils' talents in some performances in the furture.

Some of the most popular songs the pupils have learnt are:

There's a Spider,
Funky Chicken,
Boom Chikka Boom,
Che Che Kule

Hopefully you might hear some of these tunes at home!

Queen's Platinum Jubilee

Friday 27th May

To mark the Queen's Platinum Jubilee and an incredibly 70 year reign we will be celebrating the historic occasion in school.

Pupils in school will be learning more about the Queen and her reign in school and hopefully the sun will be shining as we head outside for a picnic fit for royalty!

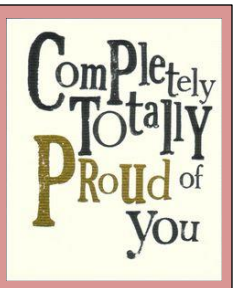

The school dinner on this day will be a special picnic and those on packed lunches are welcome to come with a lunchbox full of cucumber sandwiches and scones!

Pupil Dress Code – Let's celebrate in our best party clothes! (Non uniform)

If you would like to know more about events and celebrations taking place around the U.K. to mark the Jubillee bank holiday weekend Thursday 2nd June to Sunday 5th June you will find out more here:

Year 6 SAT's

This week our Year 6 pupils along with all other Year 6 pupils across England have taken part in SAT's tests.
They pupils have put so much effort into preparing for these tests, especially during the past few months.

On Monday they came into school prepared and ready to show off all their amazing knowledge.
The Year 6 team along with the entire Lane End staff could not be any prouder of them and they all gave it their very best!
The learning continues but we have lots more exciting things to come in Year 6 before thinking about the transition to high school.
Thank you to all Year 6 parents/carers too for your continued support.

Contacting Teachers

If you do need to get a message to, or information from a teacher—the safestand best way is to text, ring the office or email the class email accounts and the teacher will get back to you as soon as they can.

'Little Buds' Stay and Play

For children from birth to pre-school age

Our Little Buds Stay and Play session with Mrs Sammon is every Wednesday at 9:15 – 10:45

All are welcome in the local community for fun, games, singing, story time and snack.

It's a great time for young children to socialise and play with others but also nice for parents/carers to have a cup of tea and a chat.

Be in line at 8:50!

As soon as school starts at 8:50 all classes get busy with their morning tasks and this is the opportunity for everyone to enjoy a bagel with their friends.

We do not want anyone missing valuable learning time.so please don't be late to school.
