Well what a busy half term!

As part of their Geography and Science topics Year 2 Enjoyed a visit to the Deep. They found out about seas, oceans and the creatures that live there.

"I liked looking at everything I liked the sharks best because they are cool. I liked the yummy lunch! It was the best day of my life!"- Anton

"Some of the animals looked strange and some of them were even hiding– like the red crab. Some of the animals were camouflaged against the leaves. There were frogs that we couldn't see because they looked like leaves." - Olivia

"I saw some sharks with sharp teeth!" I saw a big giant jellyfish and a little baby jellyfish. They were cool but almost so tiny I couldn't see them!" -Mary.

Year 3 stepped back in time for Stone Age adventure at Skelton Grange as part of their history topic.

"We were hunters form the stone age"- Sidra .
"The man cut the head off a fish and we cooked it on the fire." - Sara.
We ate it with bread so Yummy!" - Yara. "
"We built shelters", they were the best" Masoom."...with sticks" - Zarah.

Year 6 were specially invited to spend the day building their very own TV studio in the specialist facilities at UTC, with the help of industry professionals. By the end of the day, the children had learned how to broadcast their very own 'live' quiz show. Finding out about the behind-the-scenes skills of professionals working in television including vision, communications, sound, camera and graphics. We could see our pupils names on the TV credits one day!

"It was amazing and fun, I enjoyed everyone having fun and thank you to the people at UTC" - Yad
"It felt AMAZING because we learnt new things and being a camera woman is amazing." - Jamila
"This trip was amazing because I got to connect lots of wires and I got to use a mic like a director." - Sudais

Football! It was great to be able to host our first competitive football match in a few years. A team of Year 3 and Year 4's donned the school kit to play against a team form St Luke's. The team were wonderful ambassadors of our Lane End super learning heroes displaying the ability to listen to instructions, work as a team, manage their feelings of nerves etc.

Although we did not win with a score of 4-2 we were all so proud of the team and the potential for this team is very exciting!

Next match Y5/6 against Green Mount Thursday 3rd March.

Online Safety Week

Last week (7th—11th February) we had an Online Safety Week in school linked to Safer Internet Day 2022!

Pupils throughout school learnt about the importance of staying safe online and crucially about kindness and respect online.

Pupils know that any form of unkindness or bullying online is unacceptable and they must speak to a trusted adult immediately.

Navigating the world of social media, gaming and Apps can be a bit of a mind field so we have lots of useful parent guides on our school website.

Some of the apps and games mentioned by pupils in school were Tik Tok, Fortnite, You Tube and Roblox. If you child is playing on these games or using these Apps please see these useful guides regarding privacy and safety restrictions.

Wishing you all a happy and safe holiday and we look forward to welcoming you back after half term for more exciting adventures.
