LANE END PRIMARY SCHOOL

17th October 2017

Supervision Responsibilities – Before and After School

The school gate to the main playground opens at 8.30am for parents/carers and children.
Children should not be left unsupervised by parents or their responsible adult until they enter the school building at 8:50.
There will be no supervision / responsibility for the care of the children by school staff until 8.50am. Teachers and Pastoral Team will be in the playground, to be available to talk to parents and carers, not for supervision duties
.
Pupils are again not supervised in the playground after school has finished for the day at 3.15pm as pupils are released into the care of their responsible adults/carers.

School play equipment should not be accessed before 8.50am and after 3.15pm.
It is the responsibility of the parent / carer / responsible adult to ensure that their child is supervised before 8.50am and after 3.15pm, and to make sure they do not use or climb on school outdoor equipment.
The school regularly inspects the playground and equipment, however, any defects or problems seen by parents/carers the playground should be reported to a member of staff, preferably at the school office as soon as possible, to help school keep the area as safe as possible for all.

There will be no supervision for children playing with or using any playground equipment before and after school as they should NOT be using it at these times, and should be under the direct supervision of their parents/carers.
This also applies to any siblings or children who don't attend our school but are on school grounds. This notice is given as a disclaimer and is in the interests of the health and safety of the children.

The school does not accept liability for injury outside of the supervision times as stated.
