PE & School Sport Development Grant 2022-23

2022-2023 grant allocation: £16000
The impact of the plan and spending will be reported in Summer 2023.

Impact will be measured in school against one or more of the 5 Key Indicators outlined by the DfE for effective spending of the PE & School Sport Funding.

KI 1: Engagement of all pupils in regular physical activity KI 2: Profile of PE and sport is raised across the school as a tool for whole-school improvement KI 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport KI 4: Broader experience of a range of sports and activities offered to all pupils KI 5: Increased participation in competitive sport

Where we want to be	**Cost**	**How we get there and make the impact sustainable**	**Impact and sustainability review**
Engage all pupils in regular physical activity (KI 1) Provide a broader range of sports and activities on offer to all pupils (KI 4)	subsidy: £200 Beckett Student lunchtime sessions: £0	When specialist providers are running a club in school, a member of Lane End Staff will work alongside them to develop their skills, knowledge, confidence in teaching that sport. We are continuously looking for coaches or clubs offering after-school clubs in different sports. From monitoring after school club attendance, some groups of children are not accessing. Their barriers have been unpicked and as a result this year we will continue to invite some children for a subsidized place and also	Due to outside funding, we were able to offer two Judo clubs. They were both very well attended. Football clubs were the most popular and having a girls only football attracted more girls than if the club had been for both genders. A variety of children were invited to take part in clubs and the subsidy was used for this.

		run some lunchtime clubs for those who find it hard to attend after school. Continue to target these children in pupil voice activities and invite them to lunchtime clubs on a priority basis as well as offering subsidized after school club places. Continue to use pupil voice to guide our offer and to vary our offer to broaden the range of opportunities for our children. Establish a regular opportunity for children to celebrate their sporting achievements and activity outside of school in Tuesday KS2 assemblies.	Following on from Covid, we have not had regular key stage assemblies. This could potentially happen in the future. Children have been invited to bring in medals, certificates for check-in/out circles.
Increase participation in competitive sport (KI 5)	Trophies and medals purchase: £50 Active schools membership, including access to inclusive competitions: £1200 Maintain and	Sustain the competition offer from last year to try to achieve a Silver School Games Mark this year of attendance at at least 4 inter-school competitions or festivals plus providing opportunities for 2 B-teams to take part as well as opportunities for children to compete in 6 intra school competitions. All year groups have been encouraged to facilitate an inter-school competition with the two classes at the end of each PE unit. To encourage participation in inter-school competitions, all children who take part will receive medals.	We have been able to take part in a variety of events. Football – mixed and girls Dodgeball – mixed (qualifying event and then Leeds wide) Basketball – mixed Ice skating – mixed

	develop link with St Lukes: See PE lead teacher release time Minibus & petrol costs: £5810	Increase the number of minibus drivers to allow us access to more capacity to attend in school and after school competitions and to replace some of the drivers who have moved on. Funds to train 3 new drivers. Increase opportunities for SEND pupils to participate in competitive sport as they are a key group identified as having lower participation	Skateboaring – mixed We have also had a friendly football match with Greenmount school. We now have a greater selection of minibus drivers.
Where we want to be	**Cost**	**How we get there**	
Increased confidence, knowledge and skills of all staff in teaching PE and sport (KI 3)	Planning supports for teachers focused around particular sports: £1000 Equipment for games lessons focused around a particular sport£1000	Continue to offer targeted CPD to staff as it becomes available through Active Schools Offer Improve range of equipment on offer to support quality teaching of PE lessons and the range of sports offered. Introduce new sporting after-school clubs (golf/badminton)	No staff attended any external courses this academic year. Table tennis equipment was purchased for the whole school to use. An Omnikin set was purchased to enhance warm ups in PE.(Staff will receive training on these

	£2000 £240	Specialist dance teacher to work alongside class teachers in delivering high quality dance lessons to the school. High quality dance coach to work with Year 6, linked to World War Two.	resources in September 2023) 8 teachers and 1 HLTA received CPD – improved staff knowledge and confidence to support dance delivery across school The children thoroughly enjoyed and learnt new skills.
Profile of PE and sport is raised across the school as a tool for whole-school improvement (KI 2)	Theme days, special events with outside providers £500 £4000	As events or activities are advertised children can participate in special sporting events within school. For example, African dance workshop or athletes in school. Also, highlight special sporting events (World Cup, Olympics etc.) Year 5 girls to work with Totally Runable to inspire them to be more physically active.	No funding was used for a special event this year. The girls really benefitted from these sessions and have had great confidence in themselves and also in being more physically active.
	Costs: £16,000
